

Before They Raise Their Caps They Need To Raise Their Scores!

And Club Z! Offers A Better Way To Higher SAT/ACT Scores!

This is the real deal...one-on-one instruction tailored specifically to help your child improve their test scores. No boring classes, no time spent on what your child already knows. Our test prep program focuses on what your child doesn't know...and where they have the best opportunity to raise their scores. ***On average, our students see a 240+ point increase on the SAT's and a 4+ point increase on the ACT's.***

Our Unique Program Includes:

- Diagnostic Test to pinpoint areas of strengths and weaknesses
- One-on-One instruction individually tailored to each student
- Customized lesson plans and homework assignments
- Practice tests with immediate feedback on results
- Proven test-taking strategies
- Flexible schedules to fit your lifestyle
- Free in-home consultation
